Additionally, there is a risk, as HHR opportunities present themselves within the healthcare market, that institutions interested in assessing their response to an emerging need might not be aware of who to engage regarding the educational requirements.

Role of Educational Institutions in Identifying and

Seventh-day Adventist approaches to theology are affected by the level of authority accorded the writings of Ellen White. Mainstream Adventists believe that White had the spiritual gift of prophecy, but that her writings are subject to testing by the Bible, which has ultimate authority.
