

united states and state pdf

Gun laws in the United States regulate the sale, possession, and use of firearms and ammunition. State laws (and the laws of the District of Columbia and of the U.S. territories) vary considerably, and are independent of existing federal firearms laws, although they are sometimes broader or more limited in scope than the federal laws.

Gun laws in the United States by state - Wikipedia

The United States Constitution is the supreme law of the United States. The Constitution, originally comprising seven articles, delineates the national frame of government.
