Veganism is the practice of abstaining from the use of animal products, particularly in diet, and an associated philosophy that rejects the commodity status of animals.

### **Veganism - Wikipedia**

Newborn blood spot test. Every baby is offered newborn blood spot screening, also known as the heel prick test, ideally when they're 5 days old.

### **Newborn blood spot test - NHS**

To eat meat, or not to eat meat... This is the question on many people's mind. The negative impact of animal foods on health, the damage associated with animal foods and the environment, religious beliefs, and the desire to protect and respect animals are some of the reasons for the increase in the number of people consuming vegetarian diets.
